Straight line to success

We would like to welcome you to Fort Hays State University Block and Bridle club. We are located in the Northern part of Kansas. The FHSU Block and Bridle is part of a national animal science organization.

As B&B members, we participate in fundraisers, a showing and fitting competition, intramurals, Ag. Awareness, and attend the National Block and Bridle Convention. We also host a FFA Dairy Judging Contest and a Junior College Livestock Judging Contest and participate in many social functions.

We believe by helping our school and community, we are helping ourselves as well. Because with all our experiences we have gain we know that we are headed in a straight line to success.

We hope you enjoy the many memories of our club.

Secretary report

September 3, 2003

Tressie Bryant called the September 3, 2003 meeting to order at 7:30. Codi read the minutes from the last meeting. They were approved as read. Tyler gave the treasures report of 4,200.06 in the activity account.

Old Business:

Josh updated the club on Oktoberfest and told people to begin thinking of t-shirt designs or other options for a fund-raiser and also we needed volunteers to help work the booth all day on Friday.

Josh sent around a sheet to sign up for BINGO for the next few times the club is working.

The JLUCCO contest update was given by Jaret and Kasey saying that everything is in order and they will need people to show up and help on the day of the contest.

Codi gave an update on the Dairy Contest coming up on October 9th. Volunteers were asked to help wash cattle, stir classes, and be group leaders of the day of the contest. They also needed people to be card runners, hand leaders and people to help take reasons.

New Business:

Jaret suggested having a road rally, which is a type of scavenger hunt in vehicles, as a fundraiser for the club. Charging \$20 per vehicle to enter and top three places would receive a percentage of the pot. It was moved by Landon to have the road rally and seconded by Matt. The motion passed unanimously. It was decided the Jaret and Landon would work together to develop the course for the road rally.

Tyler mentioned that dues need to be paid as soon as possible. The dues are \$15.00 for new members and \$5.00 for returning members. The dues need to be paid by September 17th.

Landon moved the meeting be adjourned and Erin seconded.

The meeting was adjourned at 8:04 pm

Back to School Picnic

During the first week of classes, FHSU has their Tiger Days. It is a time when incoming and old students get to see what kind of clubs and organization that FHSU has to offer. It is also a time when students can meet other students. It is a great event to get our name out there.

Mingling
with old friends

Each fall, the Agriculture department holds a picnic to allow incoming students to meet the faculty. It also gives them a chance to become familiar with all the agriculture clubs and meet other students and a time for returning student to mingle with old friends. With free food, door prizes and good advertising, we get an excellent turn out.

New member initiation

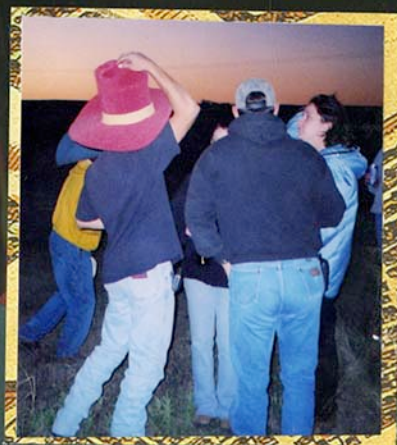

Each year we have a gathering in honor of our new members. This year we went to the dirt track. The new comers had to race on bicycles around the track.

Where does it hurt?

I'm glad I don't have to do that!

I have to do what?

Oktoberfest

Each year we go out to the park and celebrate Oktoberfest. Oktoberfest is in honor of the German heritage at Hays. Many people take the day off work to join in the fun at the park. Many groups sell T-shirts, mugs, and food. The B&B members sold T-shirts and German food. It is a great fundraiser for the club.

Ten teams attended the Junior College judging contest hosted by the B&B members. The contestants judged livestock from our college barnyard and other supporter's farms. Reasons were given and a banquet following on the FHSU campus. The contest allowed members to gain first hand experience in hosting a livestock judging contest and recruit prospective students.

This years National B&B Convention was held at San Antonio, Texas. The schedule of events included: touring the King Ranch, attending the San Antonio Livestock show & Rodeo and the awards banquet & dance, listening to speakers, and even watching a hypnotist perform. We had a great time sight-seeing and spending time with new and old friends.

Little International is a contest that is open to all students, which allows non-members & members the opportunity to train, fit, & show livestock. Cattle, swine, sheep and dairy are provided by the FHSU farm, while contestants must provide their own horses. Members draw for the animals that they will show and will have 3 weeks before show day to prepare their animals for the big day.

FFA Judging Contest

This little piggy went to the market.

Each year our club holds an FFA judging contest. This contest consists of market beef, swine, and lambs. Our members are in charge of lining up all the animals, teams, and also working at the contest. We had 16 schools attend and we are happy to say that everything ran smoothly.

This little piggy stayed home.

Ag. Awareness

Preschool through fourth graders from the surrounding areas come to learn about farm animals. The kids get a first hand experience and learn about sheep, horses, pigs, chickens, worms, ducks, dairy cows, and tractors. The kids also received a bag full of goodies. This might be the first time that any of them get to see the animals in person. It is a really good learning experience.

A few of our B+B members took part in the Ag. Olympics sponsored by the FHSU Agri. Bussiness club. Contestants participated in cracker whistles, three legged race, water transfer, blindfolded wheelbarrow race and many more. Many of the contestants had a lot of fun displaying their "barnyard" talents.

Just playing in the park

This is the last activity of the year. This is a time where we can get together and talk about the past events and find out what everyone is doing during the summer. It is also a time to say good-bye to the ones who won't come back.

Hey, good lookin',
whatcha got cookin'?

Thanks for taking time to see
what Fort Hays Block & Bridle
has done in the past year. Now
it's time to say good-bye and
best wishes. We hope you
enjoyed it as much as we have.
